## **UPK-7 Program**

Children entering UPK through Seventh grade will have a busy summer of fun activities! They will be assigned to groups according to the grade they will be entering in the fall with dedicated and attentive counselors and volunteers! Regular activity stations will include arcade, athletics, boogie time, arts-n-crafts, science, playground and much more. In addition, special events will occur throughout camp and theme days. All activities are well planned and supervised, with a program wide focus on teambuilding and cooperative fun! Incoming sixth and seventh graders have the opportunity to do a little of everything. They will attend some stations while at the same time have independent activities all to themselves. Finally, camp T-shirt will be provided for all campers.

## **Transportation**

Students must be transported to camp (Veterans Park) by a parent/guardian. All parents/caregivers must walk their child into and out of the program each day and must sign out with their child's counselor. Photo ID will be required to show when picking up until counselors are familiar with who is authorized to pick up each camper. Any changes in pick up authorization must be done so in writing.

## **Directors & Camp Medical Staff**

In his 20th year, **Jeff Daley** will again be the **Director** and will be supported by veteran staff member extraordinaire **Melanie Weber** in her 4th year as **Assistant Director** and 20<sup>th</sup> year as a part of rec! We will also have a **certified medical professional on site**. Any questions or concerns about camp operation, staff & volunteer or camper issues should be brought to the attention of either the Director or Assistant Director. All medical questions should go to the medical professional. No medicine will be distributed without specific written instructions from a physician.

## **Volunteers**

Those students entering 8th grade along with any student who is not 16 at the start of the camp season will have the opportunity to volunteer. Volunteer applications will be available at registration night, the town hall and M.S. /H.S. office. Volunteering for camp is the best way to earn a paid position once you are 16. However, volunteering does not guarantee you a paid position.

## **Program Trips**

This year we will be offering **two free full day trips** to Onanda Park. These will be fun days of recreational swimming, outdoor play, nature activities and beach games. The kids will have time to use the full facilities and to eat lunch there as well. For the whole day outings campers should bring a bagged lunch, swim gear and towel, water bottle, and even some extra snacks. Pick up time for these days will be at 3:30 pm at Veterans Park. There will be no additional cost for these trips; however, there will be **no half day program at camp on these days**. If for any reason your child does not attend the beach day, they will not attend camp that day.

## **Field Trips**

This year's field trips are set and ready to go! Space for these trips is no longer limited and all campers that want to go and pay the additional fee will have definite spots. Staff will ride on the buses with campers while the camp director/assistant director will ride in an additional vehicle in case of emergencies. Field trip participants will be required to wear program t-shirts as a safety measure to help us quickly and easily identify our group. Smaller camper to staff ratios will also ensure a safe and fun time for all! Fees cover activity cost, supervision, and bus transportation. If a trip is cancelled for any reason, a full refund will be given. On trip days, please send a bag lunch with your child—we will have lunch together either after the regular program day ends or at the field trip location depending on the trip. After all trips, we will return to Veterans Park. Transportation home will not be available so your child will need to be picked up promptly at the time indicated.
