UPK-7 Program

Children entering UPK through Seventh grade will have a busy summer of fun activities! They will be assigned to groups according to the grade they will be entering in the fall with dedicated and attentive counselors and volunteers! Regular activity stations will include athletics, boogie time, arts-n-crafts, science, our all NEW arcade fun zone, playground and much more. In addition, special events will occur throughout camp, including dress up days, visiting entertainment and whole camp special theme days. All activities are well planned and supervised, with a program wide focus on teambuilding and cooperative fun! Incoming sixth and seventh graders have the opportunity to do a little of everything. They will attend some stations while at the same time have independent activities all to themselves. They will have the chance to help out with our younger groups of campers each week.

Transportation

Students must be transported to camp (Veterans Park) by a parent/guardian. All parents/caregivers must walk their child into and out of the program each day and must sign out with their child's counselor. Photo ID will be required to show when picking up until counselors are familiar with who is authorized to pick up each camper. **New signage for flow of traffic and designated parking areas will be posted and must be strictly followed.**

Directors & Camp Nurse

In his 17th year, **Jeff Daley** will again be the **Director** and will be supported by veteran staff member extraordinaire **Melanie Weber** in her third year as **Assistant Director**. Superhero **Jill Cross** will be returning as **our certified RN** who is also the Canandaigua Primary-Elementary School nurse. Any questions or concerns about camp operation, staff & volunteer or camper issues should be brought to the attention of either the Director or Assistant Director. All medical questions should go to the nurse. No medicine will be distributed without specific written instructions from a physician.

Volunteers

Those students entering 8th grade along with any student who is not yet 16 will have the opportunity to volunteer. Volunteer applications will be available at registration night, at the town hall and M.S. & H.S. offices. Volunteering for camp is the best way to earn a paid position once you are 16. Volunteering does not however guarantee you a position.

Field Trips

This year's field trips are set and ready to go! Space for these trips is **no longer limited and all campers that want to go and pay the additional fee will have definite spots**. Staff will ride on the buses with campers while the camp director/assistant director will ride in an additional vehicle in case of emergencies. Field trip participants will be required to **wear program t-shirts as a safety measure** to help us quickly and easily identify our group. Smaller camper to staff ratios will also ensure a safe and fun time for all! Fees cover activity cost, supervision, and bus transportation. If a trip is cancelled for any reason, a full refund will be given. On trip days, please send a **bag lunch** with your child—we will have lunch together either after the regular program day ends or at the field trip location depending on the trip. After both trips, we will return to Veterans Park. **Transportation home will not be available** so your child will need to be picked up promptly at the time indicated.

Program Trips

This year we will be offering **two, full day trips** to Onanda Park (in Canandaigua). These will be fun days of recreational swimming, outdoor play, nature activities, and classic beach games. The kids will have more time to use the full facilities and to eat lunch there as well. For the whole day outings campers should bring a bagged lunch, swim gear and towel, water bottle and even some extra snacks. Pick up time for these days will be at 3:30 pm at Veterans Park. There will be no additional cost for these trips; however, there will be **no half day program at camp on these days**. If for any reason your child does not attend either field trip, they will not attend camp that day.

Program T-Shirts

Program t-shirts will be provided for all campers in our morning camp program. For safety issues, children must wear these on the **field trips** and other **special off-site days**. This will help make our group easily identifiable.
